Audience	the third-year English majors						
(Language of Instruction)	English						
* School	School of Foreign Languages						
Prerequisite	An Introduction to English Literature						
Instructor	(Course Webpage)						
	20 70						
* Description							
* Description	This mandatory course is mainly designed for the third-year English majors. Through attending this course, the students are enabled to have a basic recognition of contemporary English Fiction since the 1970s, particularly the fictional works in the 21 <sup>st</sup> century. In paying minute attention to the details of the works, the students will be able to further reflect on contemporary progression of human civilization.
