

Course Information					
Course Code	GE312	* Credit Hours	32	* Credits	2
* Course Name	German-Chinese Interpretation				
(Course Type)					
Audience					
(Language of Instruction)					
* School					
Prerequisite	2		3		
Instructor			(Course Webpage)		
* Description					
* Description	<p>As one of the language-oriented courses for German majors in the junior/senior year, the course is designed to develop students' advanced interpretation skills through mock talks, negotiations and meetings. Students will get a deeper understanding of the characteristics and skills of German-Chinese interpretation and learn to use the right words and proper language styles. Meanwhile they will learn more about Germany, its history and its culture from interpretation practices in class, thus laying a solid foundation for advanced interpretation.</p>
